

Robbinsville Soccer Association 2008/2009 Travel Soccer

RSA Player Evaluations

The RSA is proud to sponsor player evaluations for the upcoming soccer year (Fall 08 through Spring 09). If you would like to take your skills and love of the game to the next level please plan on attending your age appropriate session, free without obligation.

Come out and see what the sport and the club have to offer including:

- The chance to play, learn and have fun with your friends, neighbors and classmates, while representing your community, as your team competes throughout the state and beyond.
- Develop your skills and understanding of the game under the careful supervision and guidance of highly qualified, professional trainers.
- Play and practice on one of the best soccer facilities in the state.

No experience is necessary... just the desire to play and have fun!!

Travel soccer does involve a year round commitment and there are costs associated but the rewards and opportunities are many. For details please speak to the club's representatives at the player evaluation sessions.

All sessions will be held at Washington Community Park on West Manor Way in Robbinsville unless otherwise noted.

See our website for details and directions: www.rsasoccer.com
