US Master Course is an association of professional soccer educators whose objective is to teach the game of soccer to players and clubs of all levels and to further development.

Our mission is to lead, inspire and contribute creatively to the development of soccer by providing excellent training and educational programs that are conducted at all times by highly qualified and responsible instructors.

Our instructional methods are based on our extensive professional playing and coaching experience, locally and internationally. We thoroughly understand and diligently apply the latest and most appropriate coaching techniques to all levels of competition, including recreational, travel, select, ODP, high school, college and professional. We are intimately familiar with the unique challenges that each of these levels of competition present because we have played and coached at each of these levels for many years.
